Hill Hi-Lo

\$2995

Designed for doctors who use the Activator®* instrument or apply the Activator Methods® technique.

Featuring electric foot-pedal controlled movement and smooth transition between soft start-up and landing,

the Hill Hi-Lo will not disturb the patient with sudden stopping or bumping. The standing foot board automatically folds down as the table top is lowered. Patient size and comfort

are taken into account with a wedge-shaped foot section that conforms to the angle of the leg (also available with flat cushion). Available in 20 decorator colors; base available in beige or gray.

Specifications:

- Length: 6' Width: 27" or 30" Height: 27" or 34"
- One-year warranty on all parts (see dealer on-site labor warranty)
- Optional Hospital Casters \$150.00
